

Emma Cheatham

* * *

Art & Design and Media student skilled across 2D, 3D, and 4D media with a strong foundation in visual production, adept in Adobe Creative Suite and media research. Developing art direction skills through campus productions, where I create polished, engaging visuals grounded in media trends and distinct aesthetics. I'm looking for a creative role where I can bring fresh perspective, strong visual instincts, and genuine enthusiasm to the media industry.

EXPERIENCE

REACH - Videographer, Editor, Set-Designer

Media Production Club

A collaborative multimedia organization producing both original and client-driven content. I contribute as a videographer, editor, and set-designer across multiple fashion-centered short films.

WOLV-TV - Production Crew

TV Production Club

A student-run television organization creating campus political, sports, and entertainment programming, where I gain hands-on experience with broadcast-quality equipment and live production workflows.

Ditto - Ambassador

Social Media Marketing

Execute digital content campaigns across multiple social platforms and coordinate on-campus events to increase brand visibility and attract ideal college users.
